PRINCIPAL'S LETTER

DEAR COLUMBUS NORTH BULL DOG:

Summer is quickly passing and we are looking forward to your return. We recognize that our school is a sum of its parts...Staff, students, family, and community. We feel our "parts" are the best of the best and are thrilled that you have chosen to allow us to be a piece of your educational successes. In choosing to attend North, we know that your priorities are centered around pushing yourself academically, challenging yourself athletically and in extra-curricular activities, and in becoming the best that you can be.

As a student at Columbus North you are in great company! You will be surrounded by students just like you, students who want to make a positive difference in the world. Though the paths may differ, the results will be the same, a better world for all. Taking advantage of that opportunity by getting involved puts you into an elite group of students throughout the country that make the most of their education. Regardless of the challenges that you face... and we will all have challenges...getting a good education will be your foundation to making that positive difference.

The first day of school is Monday, August 4th. We will begin at 7:45 a.m. sharp, by meeting in your Bull Dog Time rooms to get updated schedules, fill out emergency card information, and take care of other "beginning of the year" business. Our teachers are updated in the latest instructional methodologies and look forward to working with you. They have been busy preparing for your return and I'm confident that they will provide you with multiple methods of learning and allow you multiple ways to show us what you've learned.

The "**Bull Dog Way,**" assists each to be **Respectful**, to be **Responsible**, and to build appropriate educational **Relationships**. It's an exciting time to be a Bull Dog! On behalf of the Columbus North administration, faculty, and staff, I welcome you to a new school year.

Sincerely,

David D. Clark, Principal

Our dress code focuses on preparing our students to be successful in their future professional endeavors. This also supports common decency and maintains appropriate safety and health codes. Thank you, in advance, for helping Columbus North maintain these appropriate dress standards and enhancing a more fitting educational environment for all.
