Stay a little longer...

If you would like advice on how to extend your trip and enjoy Cayman's world famous Seven-Mile Beach, Duty Free shopping, or to explore the Island, our team will be happy to offer you suggestions.

It is very simple to rent a car and there are seemingly endless activity options. Cayman is very safe and is a terrific island to explore. With an average temperature of 85 degrees Fahrenheit and 10 hours of daily sunshine, we are confident you will enjoy your time in the Cayman Islands should you choose to stay a little longer.

# About Cayman

The Cayman Islands are located 480 miles south of Miami, Florida, 150 miles south of Cuba and 180 miles northwest of Jamaica. By jet, we are a 70-minute direct flight from Miami. There are more than 55 weekly flights into the Cayman Islands.

Our population is just over 66,000 and all people working here speak English. More than 150 nationalities are represented in the Cayman Islands, making it an entirely unique environment, welcoming to all. Grand Cayman is approximately 27 miles long and 4 miles wide and we are part of the British Commonwealth.

The tap water is safe to drink and there are ALL the amenities available associated with a world-class tourist and investment destination.
