LETTER OF RECOMMENDATION

Please attach a letter of recommendation from your guidance counselor. This letter should state why you are a good fit for the BSN Direct Admit program at IUPUC. It should also include your current GPA.

I understand the application is competitive and a maximum of 30 students will be accepted through the direct Pre-BSN application process. Admission to pre-BSN major status requires a minimum overall high school GPA of 3.3 on a 4.0 scale. Also, the student needs to have already taken Finite or will take it in their first fall semester at IUPUC.

I understand that as a Direct Admit student in the BSN program that I am a Nursing major and will therefore be assessed a Division of Health Sciences Nursing fee by the University. For detailed information see the tuition calculator at <https://apps.iupuc.edu/tools/calc.aspx>

Direct Pre-BSN admits are required to earn a minimum of a B in first year math and science courses and an overall IUPUC 3.0 GPA, including a minimum of a C for all other courses to maintain Direct Admit status. In addition, a student who receives a Professionalism Alert Form will be immediately removed from Direct Admission status and will not be considered for application to the School of Nursing.
