

Dear Educator:

Every day, you help shape the lives of exceptional students. At the Savannah College of Art and Design, we prepare accomplished students — like the ones in your classroom — for successful creative careers. Help them achieve a premier art and design education by nominating these shining students for the SCAD Distinguished Scholars Award.

This award is for US\$20,000 per year and is applied to tuition at any SCAD location, including online via SCAD eLearning. To be considered, students must be recommended by a teacher, professor, or counselor. The SCAD Distinguished Scholars Award is renewable annually for students who maintain a cumulative grade-point average of at least 3.0.

Offering more than 100 degree programs, SCAD champions outstanding students who will go on to advance the future of creative professions. Life at SCAD is engaging within and beyond the classroom, and boasts a university experience full of programs and activities to promote student interaction, leadership, and community service.

Nominations and completed student application files, including transcripts, official test scores, portfolios, and résumés, must be received by Feb. 1, 2020. We encourage you to nominate students who meet or exceed the following requirements:

- Minimum 1390 SAT combined math and critical reading score, or ACT composite score of at least 31
- GPA of 3.75 on a 4.0 scale
- Stellar visual arts, performing arts, writing, or equestrian capabilities
- Honors and awards from competitions or other recognitions
- Leadership skills demonstrated through co-curricular or extracurricular involvement

To be considered, a nominee must complete all SCAD admission requirements, including transcript and portfolio submissions, by Feb. 1, 2020. Students should apply online at scad.edu/apply. To nominate a student, email the following information to nomination@scad.edu:

- Student's name
- Institution name, city, and state
- Your name and position
- Brief statement (100 words or less) explaining why you are nominating the student

We look forward to receiving your nominations. If you have any questions regarding this scholarship and other financial assistance, contact SCAD admission at admission@scad.edu.

Best regards,

Steve Mineo
Vice President for Admission
