- April 22nd– Spring Choir Concert
- April 22nd– Very Special Art Festival

### Ms. Bentham's News

We hope everyone had a great spring break

In reading we are working on our social story– Choose Your Attitude. We are learning that even on a "bad day" we can still be positive.

In math we are using the next dollar strategy, learning to make change using calculators, and how to count change.

In cooking we are learning 1/4, 1/2, and 1 cup. We are also learning Tbsp. and tsp. These help us when we read any recipe. We made our own popsi-cles, funfetti cookies, and glitter slime using our new found knowledge. Have a great weekend!

### Mr. Londeree's News

In the community this week, the students worked very hard. I had the opportunity to visit the community twice this week in order to observe students employment skills. I was very impressed on how much progress has been made since the beginning of the school year. Students were doing a great job washing dishes, hanging clothing items, stringing beads for necklaces and following directions.

In the classroom this week, we talked about the importance of time and how time impacts are daily lives. Students did a wonderful job of engaging in conversation together and discussing how they use time in their daily lives. Students talked about and provided the following examples on how time impacts their lives: Knowing when to be to class, when to catch the city bus and when to meet with Stone Belt. The students did a wonderful job with providing examples and explaining how time applied to their daily lives.

Have a great weekend!  
Corey Londeree

### Mrs. London's News

It has been a good first week back after spring break. We reviewed our personal information, talked about what clothes to wear during Indiana spring weather, and celebrated Randall and Luke's birthday. We will focus on our vocabulary listed below through next week.

I have updated my website. I have posted the newsletter, copies of our data sheets, pictures, staff information, and upcoming event information. Please check it out!

In April, assistants from the Life Skills Program will attend a training session on Thursday afternoons. Therefore, we will not have outings on those afternoons in April. They will resume in May.

Progress reports will be sent home next Friday the 3rd. Have a good week!
