May Birthdays

- Linda 3rd
- Vanessa 3rd
- John 12th
- Ciarra 30th

Ms. Bentham's News 314-3828

This week in reading we participated in a senior project presented by our friend Matt; it was on Harry Potter and Quid-ditch. We learned that there are many students who participate in the game at local colleges, use different types of balls, and broom sticks. On Wednesday we participated in the Very Special Arts program and had a lot of fun (check out some of our photos). Thursday and Friday we read in our Action magazine about 18 year old JaQue, who lost part of his lower leg in a wrestling accident, and continues to play football, basketball, and power lifts. He hopes to compete in the Paralympics next year.

In math we continue to work on our money skills so that we can better serve our friends on the coffee cart and make our own purchases at the store or restaurant. We also worked on reading the local grocery ads, finding deals, making grocery list, and being able to figure out what store has the best price for our money.

As the weather gets nicer we will begin to eat outside during lunch, please plan accordingly. We will also begin walking around the track, the school block, and the local area to practice our pedestrian safety skills.

Have a great weekend!

Mr. Londeree's News 314-3825

In the classroom this week, we continued our morning work routine, which focused on reviewing money totals, weather vocabulary and community vocabulary. We also spent the afternoons discussing household items that we purchase at the store. The students created three groups: Food, Bathroom and Cleaning Supplies. We had a great conversation on how we use items from each category and how they fit into our daily lives.

In the community, the students had the opportunity to visit the VSA (Very Special Arts) festival this week. Students participated in different hands on stations that allowed being very creative through art and music. Students had a great time at the guitar station and each of them had the opportunity to play a little tune!

Mrs. London's News 376-4547-classroom 350-5378-Cell Phone

Everyone had a nice time at the Very Special Arts Festival. There are pictures in the newsletter of students at the festival.

Prom is May 2nd. Any student needing assistance with a dress/tux or ticket needs to contact their teacher of record now! There is a process to help with prom needs. All students are eligible for this assistance. Start with their teacher of record first!

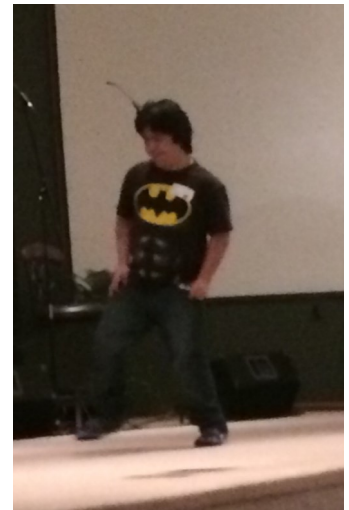

Information about when we will celebrate summer birthdays is on the last page of the newsletter.

We will continue to learn about how we can respond to conversation starters. Students came up with survey questions to ask others in our building and practiced responding to their answers.

1. That sounds fun
2. Tell me more about it.
3. Thanks for letting me know.
4. I don't know.
5. Awesome!

How can you respond to a conversation starter?

Very Special Arts

Very Special Arts

Prom Information

Tickets are \$20.00 each

They can be purchased in the CNHS Bookstore through May 1st.

You must show a student ID to purchase a ticket.

After Prom

After Prom will be held at Foundation for Youth. The event will take place immediately after prom and will go on until 3:30 a.m. Tickets for After Prom are free, but you have to get a ticket from the school bookstore to be admitted.

More information about Prom and After Prom can be found on the CNHS website!

Anyone who needs assistance with paying for a prom ticket, dress, or tuxedo needs to contact their teacher of record **NOW!!!!**
