- ◆ Last Day of School– June 2nd
- ◆ Graduation– June 6th at 1:00 p.m.

CNHS Life Skills Newsletter

Ms. Bentham's News
314-3828

This week in reading we spent time talking about how to make friends in an appropriate way. Visited the school library so we can become familiar with where things are, and read in our Choices and Action magazines.

In math we continue to work on our money math skills to help us on the coffee cart, go shopping at the store, and go out to eat.

We also enjoyed our work outings, bowling with Mrs. Ortman, eating outside, and taking walks to learn street safety.

Remember May 20th and 21st are half days, May 25th no school, Unified Track Meet is May 20th @ 5:30p, and May 28th we will be going to Johnny Carino's.

Have a Wonderful Weekend!

Mr. Londeree's News
314-3825

In the classroom this week, students worked on a variety of skills. Students learned about measurements and completed an assignment where they had to measure certain objects to the nearest half inch. Students spent Wednesday and Thursday learning about map keys and understanding how to read a compass. Students also had the chance to work on greater than and less than this week. Students worked on greater than or less than through the use of coins. Students had to count the coins and identify which pile was greater or less than.

In the community this week, students continued to visit job locations and strengthen their employment skills. Students continue to be persistent and do their personal best when working in the various job locations. I am very proud of their hard work and dedication!

Please don't forget that on Wednesday, May 20th the Unified Track team will have a meet here at Columbus North High School. North will be competing against Columbus East and Edgewood High School. Please come out and support the team!

Have a good weekend! Corey

Information about half days is listed on Wednesday and Thursday in the outing schedule. Students in the Life Skills Program will leave North at 11:30. This includes bus riders and car riders. If you have questions, please contact us.

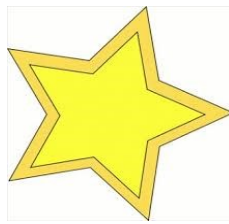

We made our own mini golf holes this week! Students applied past knowledge to putting together each hole. We then used them to set up our own mini golf course at school. We practiced for Friday's outing. Pictures are attached to the newsletter. I was very impressed with how students were respectful to each other.

Next week we will plan for our award banquet to be held May 27th. See the attached invitation. We will also focus on our cookout scheduled for May 29th at my house. If you are able to donate, we need some items for our banquet and cookout. A list of suggested items will be sent home next week.

Have a nice weekend!

- Award
- Banquet
- Food
- Certificate
- Celebration

CNHS
LIFE SKILLS
AWARD
