This week in reading we used BINGO to work on the vocabulary on how to be appropriate on the city bus, and manners in the restaurant.

In math we worked on math facts, counting money, rolling coins, and making change to help us on the coffee cart and in the community.

We also spent time talking about what street signs we should look for to get to the bus, how to ride the city bus, where we get on and off the bus, and how to act on the bus and at each depot. The students did an awesome job with everything.

We enjoyed our trip to Johnny Carino's and being able to make our own pizzas, sit and eat them, and riding the city bus to and from school.

Have a great weekend!!

Thank you to parents and students for being so kind and patient with me during my first year here at Columbus North High School. I was a bit nervous moving to high school from elementary school, but I am so glad I made the decision. I have had a wonderful school year here at Columbus North. I have enjoyed getting to know each student in life skills program. I look forward to a wonderful 2015-2016 school year.

Please have a safe and wonderful Summer Break! I will see you all in August!
