

# Your Boys & Girls Club

Come volunteer with us.

**Volunteers needed year round.**

The Boys & Girls Club at the Foundation for Youth is an out-of-school program for kids between the ages of 5-18. We provide children in the community with an opportunity to spend their time in a safe, positive environment that encourages them not only to have fun, but to grow as healthy, successful, responsible and caring citizens. By volunteering at the Club, you make a lasting investment in our community's future.

## Be a Role Model

Join Club members in a game of pool, help with an art activity, shoot hoops and more.

## Tutoring

Help others to learn and improve their academic skills in our Cranium Bowl. Our members can always use homework help in math, English, science, social studies and history.

## STEM Activities

Foster a passion for science, technology, engineering and mathematics with our members at the Funology Lab.

## Gym and Outdoor

Connect with and mentor our youth in the gym and out on our playground/field areas. Encourage physical activity, sportsmanship and play.

Screening and background check required on all volunteers.
