Notes From The Office

Yearbooks

It is time to order your yearbook! The cost is \$16. Order forms are available in the office or you may order them online. Visit www.inter-state.com/yearbook and enter code 43766H

Background Checks

Every volunteer that comes to Parkside to help in the classroom must have a background check on file in the office. Forms are available in the black information tower outside the office and online on the Parkside website by going to the “For Parents” section on the top of the website. They are also available in the office. Completed checks can be emailed to: eber-soldk@bcsc.k12.in.us or returned in person to the office. Volunteers need to check with their student’s teacher before coming in to work to make sure they have a background check on file. Once the background check is completed, you will receive an email from Safe Visitor. Please read the email and bring your volunteer badge with you when you come to school. You may print the badge, download the app, or have the PDF that is sent by email on your phone. Please bring one of those with you when you volunteer and you can check yourself in the system.

If someone is coming in to eat lunch with a student, they do not need a background check but they do need to bring in their driver’s license or photo ID to be checked in.

Edwards Pre-K Sugar Cookies!

Edwards Pre-k was visited by Chef Mary Wilson a Pastry Chef from Cummins Inc. Chef Wilson showed the children how to roll out dough and how to use a cookie cutter. She brought sugar cookies for the children to decorate and one cookie pre-made by Chef Wilson, that was frosted and sprinkled along with the recipe to take home. It was delicious!!

Morlok Pre-K Gingerbread Houses!

Our last two weeks of school were filled with fun activities. We finished the year strong with gingerbread science, new friends at Parkside Court nursing home, and gingerbread houses with our reading buddies. We are looking forward to many more exciting activities in 2020!

Roller Skating in GYM

Roller skating is coming back to Parkside in February. We will be skating in our PE classes for three weeks from Feb. 3 to Feb. 21. Permission slips will be coming home in gold folders. We get the skates from a company called Skatetime that delivers the skates to our school, so we don't have to go to a skate rink. A few things about our skating unit. We have to use the skates from the company because they are guaranteed to be safe for the gym floor. Unfortunately we can't allow kids to bring in their own skates because we can't ensure that they won't hurt the gym floor. Also the company provides knee pads, elbow pads, and wrist guards, but if you want to bring in your own pads, that is fine. The company does not provide helmets, so if you want your child to use a helmet then they need to bring one on PE days. Last year I was astonished at how much progress the kids made. If you have any questions, please email me at wileyk@bcsc.k12.in.us.
